We offer cleverly designed modular aluminium profiles that are quick and easy to install.

15 Year Warranty*

Our products are supported by a 15 year performance warranty on the powder coating.

* WARRANTY IS ON SELECTED COLOURS AND FINISHES. TERMS AND CONDITIONS APPLY.

Beauty of Wood Benefits of Aluminium.

Easy Install

Knotwood Products are engineered for simplicity, ensuring effortless installation. Our versatile cladding and batten systems offer multiple installation methods.

Low Maintenance.

Knotwood's specialised powder coat finish has outstanding properties to ensure ease of maintenance and longevity of your surfaces.

Non Combustible.

With safety as our top priority, Knotwood products adhere to fire safety standards in AU, UK, and USA. Our products not only prioritise safety but also guarantee longevity.

Weather Resistant.

Knotwood won't swell, grow mold or rust when exposed to wet conditions. Unlike wood, it is protected from corrosion in harsh environments.

Non Warping.

Knotwood's aluminium lengths are not only lighter, but stronger and straighter than real wood and will not warp over time.

Sustainability.

Knotwood is 100% recyclable and uses VOC free coatings and lead free finishes resulting in a smaller environmental footprint for us and you.

Insect Proof.

Knotwood is impervious to termites and ants. Therefore doesn't require additional chemical treatments to be protected from pests.

Durable.

Knotwood's aluminium lengths are not only lighter, but stronger and straighter than real wood and will not warp over time.

Heat Dissipating.

Knotwood is great for the outdoors and in direct sunlight as it remains cooler than most other materials. It naturally absorbs heat slowly but releases it quickly.

Express Range Order Form.

Our Express Range is the perfect solution for your next project with our quick turn around without sacrificing quality.

Although Knotwood promises a fast delivery, product arrival times will vary according to freight companies. Knotwood is not responsible for delayed product arrivals resulting after dispatch.

Customer Details.
